### Some Sample Activities

Provide time for the children to make individual illustrations of what it means to be Catholic, and then create a class poster using the illustrations.

Encourage families to celebrate Sunday Mass regularly together. Help them understand how the parish family is like their own.

With the assistance of an adult, have the children photograph or video various ministries being performed in the parish. Share the pictures and discuss how people are using their gifts and talents in each ministry. Discuss the different ways people in the parish are involved in helping others.

Arrange for the children and their families to tour the church building.
