## Standard #8 Sacraments

Demonstrate the importance of sacraments, with an emphasis on the centrality of the Eucharist, in the life of Catholics.

### Performance Indicators

- ~Recognize that we are welcomed into God's family at Baptism.
- ~Demonstrate participation in parish Sunday liturgy.

**Assessment :** How will you know that the children learned or are able to perform the indicators?

---

---

**Where in your catechetical materials did you find these performance indicators?**

---

---

### Some Sample Activities

Extend a special invitation for the children to celebrate Sunday liturgy with their families and participate in the music, simple prayers and the sign of peace to help them develop a sense of awe/respect for the sacrament.

Help the children design a poster that shows a church on one half and pictures of them celebrating their birthdays and baptisms on the other half. Reinforce the concept that their baptisms were their births into the family of God.

Encourage families to look at photos and recall the Baptism of each child.
