To be a sponsor is part of your Apostolate, and as such, carries a serious Christian responsibility. Sponsoring a person for Cursillo is bringing your friend to Christ. It assumes, first of all, THAT YOU ARE A FRIEND therefore, you must believe in your heart that Jesus is leading you and your friend is ready. Please consider the important items noted below.

CURSILLO SPONSOR APPLICATION

Instruction Sheet (To be retained by the sponsor)

The sponsor is reminded that the suitability of a candidate can only be judged upon the information and recommendation given by the sponsor. It is most important that the sponsor not recommend candidates without serious deliberation and prayer.

When selecting a person for Cursillo, male or female, his/her marital life should be considered. Even though the Cursillo weekend is lived individually, the spiritual life of the couple, both before and after, must be considered. The Cursillo movement holds in highest regard the Sacrament of Marriage, and if participation in a Cursillo by one and not the other individual might have an adverse effect on that Sacrament, then we suggest some other form of individual spiritual renewal.

If the fact that the person is married comes into consideration, we need to determine whether both are eligible and interested in attending the Cursillo weekend. If both agree that only one spouse attending the weekend will not have an adverse effect on their Sacrament of Marriage, then the person who is eligible and interested should be allowed to do so.

In the case where both individuals are eligible and both agree to attend the Cursillo, then both applications should be prepared at the same time and mailed along with the sponsor's commitment to **Michael Neaton, Pre-Cursillo Coordinator, 5693 State Highway 56, Potsdam, NY 13676** Email neatonmichael@yahoo.com or call (315) 335-6302. This same consideration should be given to a single person if he or she is engaged to be married.

Because of the important and serious demands on a sponsor, it is strongly suggested that you do not sponsor more than one candidate on any weekend. Remember that the Cursillo is not a corrective device for a person's character, morals, or emotions. It is a method of giving him/her the desire and the tools to bring Christ into his/her own environments and sharing Him with everyone.

DESIRABLE QUALITIES IN A CANDIDATE

1. Be a Catholic who is able to receive the sacraments
2. Be able and willing to influence others in a Christian way.
3. Be emotionally mature and stable.
4. Be free of religious fanaticism.

SPONSOR'S RESPONSIBILITIES TOWARD THE CANDIDATE
