**Cursillo Weekends for Men and Women:** Apply Now. Men's Weekend: October 27-30 and Women's Weekend: November 17-20. A Cursillo Weekend is an encounter with self, Christ and others. It is three days of joyful living and sharing, experiencing and learning a simple method to know God better and develop more fully as a Christian. The purpose of the weekend is to provide the tools for daily Christian living. Cursillo begins on a Thursday evening and ends Sunday evening. During the three days, participants hear talks given by priests, deacons and lay persons, and may participate in discussion with others in small groups. The Eucharist is celebrated each day, and there is time for personal prayer and reflection, Sacrament of Reconciliation and fellowship. The weekend reviews the basics of Catholic faith with an emphasis on how you may live it more effectively in your own life. Since each person's circumstances in life are different and each has a unique relationship with God, the Cursillo weekend is a deeply personal experience and, as such, can't be fully described. It must be lived and experienced first-hand to appreciate. For more information, please visit <https://www.rcdony.org/evangelization/cursillo.html> If you have questions, or would like to be sponsored, please contact Michael Neaton, the pre-Cursillo coordinator at [neatonmichael@yahoo.com](mailto:neatonmichael@yahoo.com)

**Environmental Stewardship:** Tuesday, October 4, is the feast day of St. Francis of Assisi and the final day of the Season of Creation. Since all entities in the universe were formed by the same heavenly Father, St. Francis recognized that everything in nature must be our brothers and sisters in creation. The Creator made it so that all of creation is interconnected and interdependent. This is why harming one of God's creatures, regardless of how small or insignificant, can eventually impact all other entities in some way. It is for this reason that we are called to care for what God has made and limit the harm we inflict on everything around us.
