

"God's Not Done With You" lyrics

Tauren Wells Lyrics

"God's Not Done With You"

Standing in your ruins,
Feels a lot like the end
So used to losing,
You're afraid to try again

Right now all you see are ashes
Where there was a flame
Truth is that you're not forgotten
'Cause grace knows your name

God's not done with you
Even with your broken heart and your wounds and your scars
God's not done with you
Even when you're lost and it's hard and you've fallen apart

God's not done with you
It's not over, it's only begun
So don't hide, don't run
'Cause God's not done
With you, you.

There's a light you don't notice
Until you're standing in the dark
And there's a strength that's growing
Inside your shattered heart

God's not done with you
Even with your broken heart and your wounds and your scars
God's not done with you
Even when you're lost and it's hard and you've fallen apart

God's not done with you
It's not over, it's only begun
So don't hide, don't run
'Cause God's not done
With you, you.
He's not done with you, you.

He's got a plan, this is part of it
He's gonna finish what He started
He's got a plan, this is part of it
He's gonna finish what He started

He's not done
God's not done writing your story

No, He's not done
God's not done with you!
God's not done with you

God's not done with you
Even when you're lost and it's hard and you've fallen apart

God's not done with you
It's not over, it's only begun
So don't hide, don't run
'Cause God's not done
With you, you, you, you.

You, you
No, He's not done
God's not done with you
