St. John Bosco Conference Presentations

The link below allows access to three wonderful conferences from the July St. John Bosco Conference at Franciscan University at Steubenville. We are pleased to be able to share these with you.

www.rcdony.org/stjohnbosco

“Subtle Idols and Hidden Agendas” with Fr. Mike Schmitz

“The Evangelist’s Toolbelt” with Marcel Lejeune

“They Were Cut To The Heart” homily by Bishop Hying

***About LEAD:** We are all called to know our faith and to share it with others. LEAD offers quality diocesan and regional events to support the varied work of parish ministries. These opportunities include spiritual, personal and professional development, networking and days of reflection. All involved in parish ministries are invited to attend LEAD events. If there is a cost associated with the event, parishes may receive a bill.
